

Supernatural Sex Appeal

JARED PADALECKI & JENSEN ACKLES

Even after a jet-lagged night hoofing lager in a British pub *Supernatural's* ghost-busting brothers Jared Padalecki and Jensen Ackles incite our horniness. Alone in a London hotel room *axm* ask the Texan pair to bump us in the night like gay 'spirit people'. For some reason they refuse.

Words MICHAEL REYNOLDS

Young US TV stars par-excellence, Jared, 24, and Jensen, 28, breeze into our plush room the very definition of nonchalant lust appeal. Even more gallingly, they're blissfully unaware of just how hot they are. It's hard to think about anything other than sex, so we barely bother.

You two came second in an internet poll of sexiest fellas on TV, just behind Patrick Dempsey from *Grey's Anatomy*...

Jared: You mean we were beaten by Dr McDreamy?

Jensen: Hey, it's flattering to come behind him.

There's a joke there... Anyway, do you get hit on by many gay fans?

Jensen: That hasn't happened to me, at

least not that I'm aware of.

Jared: That happens in Los Angeles, but it's not like they come up to me and say: 'I'm gay, do me!' It's more like: 'I really like the show and my boyfriend likes it too.' I had one guy come up to me and say: 'Can I have your autograph? My boyfriend is gonna be so jealous.' They don't proposition me, but then I don't get propositioned by girls either.

I find that hard to believe. You guys ooze sex appeal, but even you must have laughed at being named Sexiest Ghostbusters by *People* magazine. I mean, what was the competition?

Jared: [Laughs] Oh you know, Brad Pitt, Tom Cruise... Wait, they're not ghostbusters, are they? I guess our only competition was Bill Murray from the *Ghostbusters* movie, but that was years ago. ▶
